Migration Project Spurwechsel

If you have a **residence permit** or **tolerated status** in Germany and need assistance finding a suitable German language course, job or qualification?

We will help you with individual advice and support in:

- job search
- career orientation and preparation
- skill tests, determining competencies
- preparation of application documents and Curriculum Vitae
- search for a German language course
- search for job qualifications and further education opportunities

We speak German, English, Arabic and French.
Additional languages are available via video interpreting.

We advise and support individuals with a **residence permit or tolerated status** in finding education and employment opportunities in Potsdam.
